

# Inner Healing V: God Heals the Way God Heals

Bev Robinson

## INTRODUCTION

I am now writing the fifth article on inner healing. One of the reasons I know something about the subject is I have had so much healing. I mostly use what God has done in my life as illustrations. A lot of things happened in my childhood from which I needed healing. My mother committed suicide when I was 6 years old. I was told when I was 16 that my father was not my biological father. Between my parents they have 7 divorces. I was molested by different people when I was a child. Other smaller hurts happened, so you can see I have needed healing. God has been faithful to bring them to my attention so He and I can handle them. He brings them in the best way and the best time.

I tend to have a Pollyanna personality and not want to deal with anything of the past, especially something bad. The way I handled things as a child was to go out and play. Fun was the name of the game.

But God is a best Father in the world and He just won't leave you in a state that harms you and others around you. He is always calling "Come up Higher" I have already stated the following Scripture:

*1 Thessalonians 5:23-24 "Now may the God of peace Himself sanctify you entirely; and may your spirit and soul and body be preserved complete, without blame at the coming of our Lord Jesus Christ.<sup>24</sup> Faithful is He who calls you, and He also will bring it to pass."*

Our Father loves us so much He will stay with us healing and sanctifying as this Scripture says, "*Now may the God of peace Himself sanctify you entirely*" Those know the Lord have been saved (justified) are in the process of being saved (sanctified) and one day will completely be saved to heaven (glorified). He knows us just like we are and he does it in different ways. I have read a few books on the subject, and that is the one thing that I see is left out. God is going to heal like He will heal us. I am going to cover the ways I have been healed and they are varied. And this I am sure is not extensive but I can attest for surety that it has worked. If you have missed other teachings on this subject, go to our website and read the other 4 articles [www.fullnessonline.org](http://www.fullnessonline.org) dealing with the necessity of forgiveness, healing through dreams and visions etc.

## ILLUSTRATIONS OF HEALING THROUGH REPENTANCE

This healing didn't work with no repentance

Once Ras and I were ministering in Colorado and a woman asked me to pray for her deliverance from a spirit of adultery. I asked her if she was in an affair

at the time and she was. I asked her if she was willing to quit. Her reply amazed me. I could hardly keep from laughing out loud. "Do I have to want to quit?" I showed her the Scripture (Matt 12:43-45) if I prayed for her deliverance and she didn't replace adultery with something good it would come back 7 times worse. She said she couldn't quit, and decided she didn't want me to pray.

This healing did work, repentance was the key

I have already said how I grew up with parents who divorced multiple times. So when Ras and I married I wanted a happy stable marriage more than anything. But when we had serious disagreements the first thing I thought of was, "I am out of here." So I needed serious healing. I don't know if I was living under a curse or demonic oppression. That may be splitting hairs, but whatever it was I needed to be free. This is a humorous to tell now but not at the time years ago.

We were in a stand off as to how we would go to a spiritual conference. Ras wanted to drive and see scenery. I wanted to fly and get home as quickly as we could. My thinking was irrational, saying, "If we don't drive I am out of here." I was praying about this and said, Lord. "Unless You stop me I am I going to call Ras and tell him my thinking." When I got up to go call a pewter cross that I wore around my neck fell off the chain. That really shook me, in fact I began to tremble. It was like God was telling me He was no part of what I going to do. I had felt and acted on this too many times already. It stopped me in my tracks. I got on my knees and asked the Lord to forgive me. I never called Ras and told him. From that day forward, divorce did not have me in its grasp. I no longer thought of it when we had disagreements. I had received an encounter from God repented and was healed.

God Heals in many ways

God heals the way God heals. It will be in the way you can receive. He doesn't do it the same way every time. Stay open. It may not come in the way you suspect. It often comes when you least expect it. I have noticed that when I or someone I was praying with was emotional, that was a time of healing. It is like emotions open the door for the healing of the soul.

Forgiveness by cancelling the debt owed to you, as told in Matthew (18: 21-35) has always been a major part. We often have to forgive more than once. Do it every time it comes to mind. Forgive others. Forgive yourself. Forgive God. Yes, forgive God. Of course God hasn't done anything wrong, but we may feel He has, so we need to forgive Him and ask for His forgiveness.

I am praying God's powerful healing for you.
